PRINCIPAL'S MESSAGE:

Musical.ly Performance—Thank you again to the staff, students and parents who helped to make our whole school performance, Musical.ly, a success. It was wonderful to see students shine and show their creative sides. Many hours of work went into creating choreography, making costumes and rehearsing and for that I would like to extend a huge thank you to the staff, ably led by Mrs Johns and her great team. Thank you also to Wests Leagues for providing the venue hire free of charge.

Online Safety Program— Next week we have a great presenter coming to the school from Cyber Owls allowing students to participate in informative and entertaining sessions covering a range of age appropriate topics such as: Being a good digital citizen; Laws (why we don't use computers to cyber bully); Creating super strong passwords; Digital footprints; What is an online stranger; Social media rules.

We will also run presentations for teachers and parents. The parent presentation will be held next Wednesday 14 November from 9.30-10.30am in the hall. Light refreshments will be made available. The school has been given a grant to provide this information so it is free of charge for all students and parents.

Parents can learn about home cyber safety tips to strengthen their family's cyber presence including: What are the biggest security threats to kids? Digital footprints and online stalking; Free Wi-Fi dangers; How do I talk with my child about security? Social media safety; Cyberbullying laws; How do we protect our family's computers?

This is a really great opportunity to come along, learn ways to protect your family and ask questions of the presenter.

Macarthur's Earthly Angels in conjunction with Campbelltown Public School are holding their annual Christmas gift drive for 2018.

We are requesting donations of any items or gifts for children aged between 2 years and 18 years, to help struggling families in the Macarthur area have a magical Christmas. All donations will be distributed to many families who otherwise may not be able to provide gifts to children or family members.

Since its beginnings in 2016 our Christmas Gift Drive Program has blessed over 200 struggling families in the community.

We thank you for any help you are able to provide, whether it be big or small and should you require further information, please do not hesitate to give myself a call on 0421 775 907.

We wish you a Merry Christmas and a Happy New Year.

Kind Regards

Betty Amotawa
