PRINCIPAL'S MESSAGE:

PHOTOGRAPHY CLUB DOING SOME FANTASTIC WORK TO CAPTURE SCHOOL LIFE

Students have been trying out their skills to gain a position in the highly sought after photography club. The best photographs being taken are published on our school website and become part of the fortnightly video presentation "What's happening at CPS?", which is viewed at assemblies and then published on the website. In order to grow our school photography club, we are seeking any donations of devices from families eg. old phones, old tablets, old cameras. If you have any of these lying around in the back of a cupboard at home we would love to take them off your hands and put them to good use. Please make sure that you clear all personal information from any device before you donate them.

BRING YOUR BIKE TO SCHOOL DAY - A HUGE SUCCESS

Today was a day of fitness, fun and excitement for all our student who brought their bike or scooter to school. What a great way to increase physical education while at school during lunch and recess times. Thanks Mrs Reynolds for continuing to organise such a fun event. Be sure to look out for some photos on the school website of all the fun!

ANZAC DAY COMMEMORATION

This year due to ANZAC Day falling in the middle of the holidays we are going to commemorate ANZAC Day as a school at 10am on Friday 12th April. This ceremony will be held under the awning. As Rosemary is the official flower for ANZAC day we would ask that if you have some growing in your yard that you pin a sprig on your child's uniform for that day. If you are able to spare a small branch or two for those students who are unable to access any we would be very grateful.
