## PRINCIPAL'S MESSAGE:

School Construction Zone—Thank you to everyone for your patience and understanding whilst we have upgrades made to our school. The builders had a small set-back for a week to address work health and safety needs and have returned this week to continue the roof replacements. I am happy to let you know that our Stage 3 block is now finished and the fencing has been removed. Stage 1 is almost complete and the kindergarten block is underway. Unfortunately the Stage 2 block will not be completed until the next cycle of works.

Regional Spelling Bee—I was very pleased and proud to be able to attend the Regional Spelling Bee final on Thursday. I was able to see the great efforts of Adi, Bella and Liam in their quest to become regional spelling champions. Well done to our super spellers who represented our school so well. A special mention goes to Adi who managed to get to round 5! Great work!

Zone Athletics Carnival—Congratulations to our huge team of athletes who attended the zone carnival last week. Our students were very well behaved and great sports on the day! We wish Tia, Shekinah, John and Alexis all the best for their competition at Regional level. I will share their results as soon as I have them.

Achievement Assembly reminder—our Achievement Assembly will be held on 24 Sept at 10.00am. Please try to find all merits, ribbons and certificates to trade in well before the assembly date. It is a HUGE job to record all this and get the ribbons, certificate and badges organized and it requires time. We don't want anyone to miss out on their next award.

First Foot Forward—I was happy to hear that Stage 3 enjoyed their visit to the University of Western Sydney on (th September. This is a great initiative by the university to get our stage 3 students thinking about possible careers and encourage them to make goals and take steps towards achieving these goals for their future. There are photos shared on the school Facebook page.

Anna Butler—Principal

## Principal's Certificates
